Beef in Schools

Promoting Nebraska beef for school’s lunch program & encouraging beef education and nutrition throughout Nebraska schools.
If you are interested in implementing a “Nebraska Beef in Schools” initiative in your area, please contact the Nebraska Cattlemen office at (402) 475-2333 for more information.
How to Implement Project in Your School

This is a basic guideline on how to implement this idea in your area. Please note that every individual program is different.

1. Contact your superintendent and ask them if they would be willing to present the idea to your school district board.

2. Contact local producers, businesses, local Nebraska Cattlemen affiliate and community to discuss commitment required for cattle, monetary donations etc.

3. Prior to meeting with the school board have a plan in place with details and names of committed participants. You may also wish to have a committee set up for this project for future tasks that may be implemented as a program.

4. Once your program is approved by school contact a federally inspected slaughter house to see if they would process your donated animals.

5. Be sure to keep your head school cook in the loop throughout the process.

6. Kickoff event with the school. Be sure to advertise those who donated and were involved in the project.

How to be Successful

Having community support that believes in your school system and the youth for tomorrow is key to making this program successful.

If you are interested in implementing a “Nebraska Beef in Schools” initiative in your area, please contact the Nebraska Cattlemen office at (402) 475-2333 for more information.
As we are all excited about this program please be courteous of all types of beef producers when visiting with the media. Below are a few talking points to remember while having conversation with the media and other sources at your school event or even on the streets of your community. If your school decides to host a media event, please contact Nebraska Cattlemen as we would love to be there in support of you and your unique program. Also, for additional talking points or media help, please contact Talia Goes at tgoes@necattlemen.org.

- Please remember that the Nebraska Beef in Schools projects across the state are meant to enhance the relationship between the local producers and the community via the school. Refrain from making comments about the quality of beef being better. Talk about the opportunity the program gives to serve more beef in the school.

- All of the Nebraska Beef in Schools programs are pertinent to the community coming together to make it happen. Without community strength, the programs would not be successful. It is 100% a community driven task. Allows students to interact with business and industries in their community to create a sense of collaboration and pride.

- This is an opportunity for producers and local businesses to give back to the community by offering beef or monetary donations for the schools to serve the local students.

- Nebraska Cattlemen have used this program to explore the possibilities of adding more beef to the menu across the state.

- Nebraska Beef in Schools helps school aged children learn about where their beef comes from. Informed choice is a huge factor in today’s industry. Learning things early such as where your food comes from, how it is grown, who grows/raises it, and the purpose of agriculture helps the beef industry long term.

- The beef cattle industry is Nebraska’s single largest industry and powers the state’s economy with 20,000 beef cow operations. For every ONE person in the state there are FOUR beef animals. Nebraska has a unique mix of natural resources that provide for an abundant amount of cattle. For more facts visit: www.nebeef.org
This fact sheet provides information for meat specifications that covers food safety requirements for the slaughter and processing of beef and the requirements of the National School Lunch Program. In addition to beef, this information can also be applied to pork.

**Slaughter and Processing**
- Donated and purchased beef must be slaughtered, processed, and packaged in a USDA federally-inspected facility.
  - When meat is handled in this way, and ONLY when it is handled in this way, will the package have the USDA stamp.
  - A list of USDA inspected facilities can be found on the Nebraska Cattlemen website at: http://nebraskacattlemen.org/federalslaughter.aspx.
- A school must be prepared to provide the following information to the processor:
  - Cuts of beef desired
    - Types and acceptable weight ranges
  - Ground beef must be no more than 30% fat.
    - Processor must provide official crediting documentation to verify the fat content and the documentation kept on file at the school.
  - Packaging requirements
    - Size of packages – For example, ground beef in 10 lb. rather than 2lb. tubes.
  - Portion size (raw weight) that will yield appropriate cooked weight to meet meal pattern.

**Transportation of Meat**
- The specification must include acceptable temperature ranges depending on whether the beef is transported in a fresh or frozen state in temperature controlled trucks. Frozen meat should stay frozen and fresh meat should be held at a temperature of 41°F or below.

**Storage of Processed Product**
- The school’s food safety plan should include specific information concerning the proper receiving, storing, and handling of the beef whether it is stored on- or off-site.

**Meeting Nutrition Standards**
- A cooked portion must provide 2 ounces of lean meat per serving
- Ground beef must be no more than 30% fat

**Procurement**
- When beef is purchased and/or processing paid by the school, proper procurement procedures must be met.

We want to thank you for being a Nebraska School Powered by Beef.

Local Nebraska Cattlemen groups and other agricultural organizations have organized across the state to increase the offerings of beef in Nebraska school lunches. The mission of the Nebraska Beef in Schools program is to not only to promote Nebraska Beef in school lunch programs but to encourage education on beef production and the nutritional value in beef throughout Nebraska schools.

We are excited to share with you these posters and educational materials for you to use in your Powered by Beef School.

- Vinyl banner for you to show your support of the Beef in Schools program
- Runner Girl/Beef’s Big 10 Nutrients poster
- “We Are” Powered by Beef poster
- Kid Friendly recipes
- Educational Materials

We are here to help! If you need more information or additional banners, please let us know. Copies of the educational materials and recipes can be copied and distributed to the families in your school district.

The Nebraska Cattlemen are excited in the success of the Beef in Schools Program and we look forward to in seeing the program grow across Nebraska. We hope that your school district will explore the possibilities of adding more beef to the menu and to help us education the students in Nebraska more about beef production and beef nutrition. We would like to encourage you to work with both the FFA and FCLA programs in your school to increase the education opportunities for your students.

POPCORN STEAK BITES

Beefy nuggets cooked in the oven, perfect for little hands to dip as they wish.

TOTAL RECIPE TIME: 35-45 minutes
SERVES: 4

INGREDIENTS:

- 1 pound beef Cubed Steaks, cut 1/2 inch thick
- 6 cups ridged potato chips (any flavor)
- 1/3 cup all-purpose flour
- 1 teaspoon pepper
- 2 large eggs, slightly beaten

TEST KITCHEN TIPS

- To crush chips with rolling pin, place chips in large food-safe resealable plastic bag. Close bag securely, leaving one inch opening. Finely crush chips in bag with rolling pin.
- Cooking times are for fresh or thoroughly thawed beef. Cubed steaks should be cooked to an internal temperature of 160°F. Color is not a reliable indicator of cubed steak doneness.

INSTRUCTIONS:

1. Cut beef steaks into 1X1-inch pieces; set aside.
2. Place chips in bowl of food processor. Cover; pulse on and off to form fine crumbs.
3. Combine pepper and flour in a shallow bowl. Place crushed chips and eggs into two additional shallow bowls. Dip steak pieces in flour, then into egg, then into crushed chips, turning to coat all sides and pressing chips onto steak pieces.

4. Spray rack of broiler pan with nonstick cooking spray. Place beef bites on rack in broiler pan so surface of beef is 6 inches from heat. Broil 8 to 10 minutes or until 160°F. Serve immediately with dipping sauces, as desired.
